The Program:

Latest New Features and Records Release by MyHeritage

During the last months, MyHeritage has made a series of new releases on their records and DNA offer:

The Theory of Family Relativity™, AutoClusters, DNA Quest, the completion of the Israeli Cemeteries Digitizing project and millions of new records, among others.

Daniel Horowitz will go in detail on each of these and other new features available now and will show the best way to take advantage of each one for your family research.

Speaker: Daniel Horowitz is the Genealogy Expert at MyHeritage, providing, key contributions liaising with genealogy societies, bloggers and media, as well as lecturing, and attending conferences around the world. Dedicated to Genealogy since 1986, he was the teacher and the study guide editor of the family history project "Searching for My Roots" in Venezuela for 15 years. Daniel is involved in several crowdsource digitization and transcription projects and holds a board level position at the Israel Genealogy Research Association (IGRA).

The Jewish Genealogical Society of the Conejo Valley and Ventura County is dedicated to sharing genealogical information, techniques and research tools with anyone interested in Jewish genealogy and family history.

There is no charge to attend the meeting. Anyone may join JGSCV. Annual dues are \$25 for an individual and \$30 for a family.
